If you are having difficulty registering for SafeSport training, please create a helpdesk ticket here. If you are able to register for SafeSport materials, but are having difficulties after you launch the course material, please consult the US Center for SafeSport FAQs at <https://safesport.org/help/index/category/technical>. If this does not resolve your issue, please launch a helpdesk ticket with the US Center for SafeSport by sending email with your particulars to help.desk@safesport.org.
