Where is my IMPACT certificate?

Ben Pearman - 2015-09-04 - 0 Comments - in Registration

Upon passing your IMPACT OnDemand exam, your certificate will be automatically generated in your USAV Academy student record. Make sure that you click the "Continue" button at the end of your exam instead of closing your browser to ensure your test score is saved.

Your certificate is available to you at any time by logging in to USA Volleyball Academy and locating the "Certificates" button on the right side of your student dashboard. Any certificates you have earned will be available to download and print from that menu. If you still require assistance, please [submit a helpdesk ticket](#).
